Complete all fields marked by an asterisk (*).

Include the following information for the key members of your team as it currently exists.

Responsibilities – What will each person do. (Limited to 20 words.)

Background – The judges want to know who they may be investing in. Highlight elements of each team member's background that is relevant to making the plan a success. (Limited to 50 words.)

NOTE: For Student track applicants, all members of a team should be students.

Save your work as you work on the application. This means you can return later and keep adding to your application or edit information you already entered.

Once you submit your application, you cannot change it. Therefore, it is recommended that you submit your application close to the deadline. That way, you can keep working on it, which is especially useful if you are still working on your plan and you want to update your application based on the way your plan is developing.

Submitting Your Application

After you hit the Submit button, you will be asked to signify your agreement with Rule No. 7: *All semi-finalists must agree that, should they be chosen as a finalist or winner, they will use prize winnings to establish or continue operations that employ people in Rhode Island.*
